

**MOTHER'S
FRIEND.**

Not only shortens the time of labor and lessens the pain, but it greatly diminishes the danger to the life of both mother and child, and leaves the mother in a condition to be able to spend her recovery, and leave to the nursing, a healthy and vigorous babe. In respect entirely it to be called *"Mother's Friend."* It is as good as one of the life-saving remedies of the nineteenth century.

We cannot publish certificates concerning this remedy without owing the delicacy of the writers. Yet we have had numerous testimonials.
